

Material Safety Data Sheet

Creative Stone, Inc.
1360 Hwy 71 W. Unit J
Bastrop, TX 78602

Phone: (512) 303-7866
FAX: (512) 321-9302

MSDS Date: 4/14/07
Product Name: Creative Stone (manufactured stone veneer)
Manufacturer: Creative Stone, Inc.

1. Product & Company Description

Creative Stone, Inc.
1360 Hwy 71 W. Unit J
Bastrop, TX 78602

For Product Information/Emergency:
(512) 303-7866

2. Hazards Identification

Emergency Overview

Appearance/Odor: Stone Veneer with no odor. Cured concrete product of various sizes & shapes.

Potential Health Effects

Acute Eye:

Not considered a route of exposure under anticipated use conditions.
Dusts may be irritating to eyes.

Acute Skin:

Dust from this product may cause skin irritation.

Acute Inhalation:

Inhalation of dusts produced during cutting or grinding of this product may cause irritation of the respiratory tract.

Acute ingestion:

Not considered a route of exposure under anticipated use conditions.

Chronic Exposure:

Chronic respiratory or skin irritations may temporarily worsen from exposure to dust from this product.

3. Chemical Composition

Component	CAS#	% Composition
Pumice*	1332-09-8	65-75
Expanded Shale/Clay**	68334-37-2	65-75
Portland Cement	Varies	20-25
Color Pigments	Varies	1-5

* Used in light base stone

** Used in dark base stone

As provided this material is in a cured form and the above listed components are not readily available, however if dusts are generated, these components may be present.

4. First Aid Measures

Inhalation:

If inhaled, remove the affected person to fresh air. If irritation persists get medical attention.

Skin exposure:

If irritation develops, flush with water. If irritation persists get medical attention.

Eye exposure:

Immediately flush eyes with large amounts of water. If irritation persists get medical attention.

Ingestion:

Ingestion of this material is unlikely. If it does occur seek the advice of medical personnel.

5. Fire Fighting Measures

Flash point: None

Upper Flammability Limit: Not Applicable

Lower Flammability Limit: Not Applicable

Flammability Classification: Non-Flammable

Auto Ignition Temp.: Not Applicable

Flash Point: Not Applicable

Extinguishing Media: Use extinguishing media appropriate for surrounding fire.

Special Fire Fighting Procedures: None

Hazardous Combustion: None.

6. Accidental Release Measures

Cleanup & Disposal: Sweep or scoop up material and place in suitable container for disposal as non-hazardous waste. Discard materials in compliance with federal, state & local regulations.

7. Handling and Storage

Handling Procedures: No special procedures are required for this product. Avoid breathing dusts from this product. Avoid dust contact with eyes & skin. Minimize generation of dust when cutting this product.

Storage Procedures: No special storage procedures required for this product.

8. Exposure Controls / Personal Protection

General Product Information: Follow all applicable exposure limits if dusts are generated.

Component Exposure Guidelines:

Color pigments:

ACGIH	10/mg/m ³ (total dust) 3mg/m ³ (respirable)
OSHA	15mg/m ³ (total dust) 5 mg/m ³ (respirable)

Portland Cement:

ACGIH	10 mg/m ³ (total dust) 3 mg/m ³ (respirable)
OSHA	15 mg/m ³ (total dust) 5 mg/m ³ (respirable)

Expanded Clay / Pumice :

ACGIH	3 mg/m ³
OSHA	5 mg/m ³

Ventilation: Provide exhaust ventilation or other engineering controls to keep concentrations of airborne dusts below applicable exposure limits.

Respiratory Protection: An approved, proper fitting dust respirator or equivalent should be used when dust is present & when cutting, grinding or altering this product in any way that generates dust. Use respiratory protection in accordance with OSHA 29 CFR 1910.134 regulations when workplace conditions warrant respirator use.

Eye Protection: Wear safety glasses with side shields.

Skin Protection: Wear protective gloves as needed.

9. Physical & Chemical Properties

Appearance: Cured Concrete of various colors, shapes & sizes

Odor: None

Physical State: Solid

Vapor Pressure: Not applicable

Vapor Density: Not applicable

Boiling Point: Not applicable

Freezing Point: Not applicable

Specific Gravity: Not applicable

pH: Not applicable

Water solubility: Not applicable

Evaporation Rate: Not applicable

Viscosity: Not applicable

10. Chemical Stability & Reactivity

Chemical Stability: This is a stable material

Conditions to Avoid: Dispersion of dust

Incompatible Materials: None

Hazardous Decomposition Products: None

Hazardous Polymerization: Will not occur.

11. Toxicological Information

Acute Effects: No Data

Chronic Effects: Dusts from cutting or grinding may cause irritation to eyes & skin. Ingestion may cause irritation of throat. Inhalation may cause coughing, nose or throat irritation & sneezing. High exposures to dusts may cause difficulty breathing.

Carcinogenicity: Components not classified as carcinogen

12. Ecological Information

Environmental Toxicity: No data found

Environmental fate: No data found

13. Disposal Considerations

General Product Information: No components identified as hazardous waste.

Disposal Instructions: What cannot be recycled should be disposed of as approved by local disposal regulations.

14. Transportation Information

US DOT Information:

Shipping Name: Not regulated
Hazard Class: None
Packing Group: None
Required labels: None

15. Regulatory Information

Federal regulations:

SARA Title III Hazard Classes:

Fire hazard: No

Reactive hazard: No

Release of pressure: No

Acute health hazard: No, unless dust is present

Chronic health hazard: No, unless dust is present

Clean Air Act: None of these components are listed on the Clean Air Act -1990 Hazardous Air Pollutants List.

16. Other Information

National Paint & Coating Hazardous Materials Identification System- HMIS:

Health Hazard: 0

Flammability: 0

Reactivity: 0
